

YOUR BIG! 2018 BEAUTY SHOW, CONFERENCE AND SPECIAL EVENTS CALENDAR!

Welcome to **Beauty Industry Report's 2018 Professional Beauty Show, Conference and Special Events Calendar**. This year's edition—our biggest ever!—includes **more than 500 events** during which you can launch new brands and products, test market your new ideas, educate and inform potential customers and learn what's happening in the marketplace first hand. It also includes conferences designed to equip you with the inside intel on business trends, customer buying habits, marketing data and more. It's

above left: At *Beauty Changes Lives*, Pivot Point International's Robert Passage with the late Joan Harrison, who was editor and publisher of *Canadian Hairdresser* magazine. Joan, who was a dear friend and a beloved mentor, died this past fall. above right: The Udells—Gerry, Gary and Glenn—join PBA Executive Director Steve Sleeper (second from left) at *Cosmoprof North America*.

International Beauty Show, America's Beauty Show, Premiere Orlando and Cosmoprof North America (and the global Cosmoprof events), you'll also see a slew of regional events on our calendar for the first time. Barber competitions are hot across the country.

the beauty industry's most complete calendar, with more events and classes updated at bironline.com all year long.

The Professional Beauty Business is changing rapidly, and our 2018 calendar reflects the emerging market trends. For example, we've included more barber, multicultural, luxury packaging and natural products events than ever before. And because the beauty marketplace is truly global, we're offering more international events where you can sell your products or check out the global trends and get a step ahead of your competitors.

In addition to the major legacy shows—the International Salon & Spa Expo, the

Spa, skin care and wellness shows are booming. We even found an event focused on beauty pros who operate mobile salons! Plus, we've listed expos offering unique retail items.

Of course, networking has always been the foundation driving the beauty business, and shows provide the opportunity to connect with old friends and meet tomorrow's leaders.

If you can't attend these events, read **Beauty Industry Report** and our social media to stay on top of all the news that matters. Please continue to send us your show and event dates, as well as your post-event information and photos all year long, and we will share your news with our audience.

Here's to a successful 2018 for us all! See you on the show floor!

Deborah Carver will be honored with the *City of Hope Spirit of Life Award* to kick off *Cosmoprof North America* in Las Vegas on July 28. Plan to attend! cityofhope.org.
